Titan Field Update

Scoreboard has been put in at the field and looks great. TCAPS has also pledged some

funds to help with the drainage issues on the South end. We should see improvement over

last fall. We are looking to put in a flagpole with summer and continue to make it home.

Summer Programs

Bigger, Faster, Stronger, Better

Many of our players enrolled in Weights classes and have started a fitness program— don't let your fitness go once school is over. Continue to train

and stay fit through the summer months; it will keep you injury free and improve your game. Weight room is open at

West during the summer ; push ups and sit ups are never out of style. Stay fit—

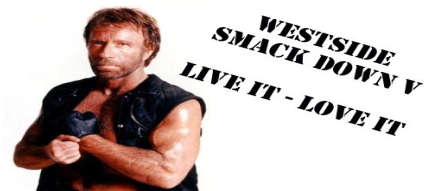

PAIN TRAIN WIN SMACKDOWN V

Congrats to the brothers Flynn and Cartwright along with Austin on their successful run through the field at the annual 3v3 tournament held in March.

The days highlights including a strange victory celebration by the train as well as several nutmegs from our 8th grade phenom Cam Sipple. Thanks to all

that participated. And made the day fun— plenty of left-over t-shirts.

2010 Schedule

Schedule is favorable for our seniors this year. Mason and Midland are our only 2 away Saturday trips. We have home dates with Ike, Stoney, Grand Blanc as well as

our Invite and Saline on a Friday. Warren De La-Salle and Petoskey will be joining our invite on August 21st and that will make for 3 excellent games to start the sea-

son. Full schedule is on the site— check it.

Fundraising for 2010

. The Titan Boosters will be bringing back the Golf Ball Drop fundraiser to offset budget cuts from the district. We will be par-

ticipating in this as well as trimming our transportation budget in order to keep our sched-

ule and stay within our means. \$\$ is tight but we hope to keep the program the same.

REASONS WHY—

Are you working as hard as you can on your game? Too often players gripe about lack of playing time during the season but do nothing to change in the off season. Parents are vey critical of decisions made in the fall but do not realize it is the work put in the other 8 months that counts. Take

advantage of all the opportunities afforded to you and have no excuses. Good Luck.

GEAR RETURN

Players are expected to return all jackets, jerseys, shorts and backpacks before June. Don't be a Dommer—
