

## 6<sup>th</sup> Grade Intramural Girls' Basketball: TC West

We are proud to be able to offer 6th grade girls a terrific intramural basketball program this fall at TC West Middle School.

Patti Tibaldi, TC West Varsity Girls head coach and athletic director at TC West Senior High will be directing the program with the able assistance of selected staff.

The West Senior High girls' basketball players will be mentoring the program on Saturdays.

The program will start the week of September 21<sup>st</sup> and run for 6 weeks through the week of October 26<sup>th</sup> (Saturday the 31<sup>st</sup> is the last day).

### **Program Details:**

- Meets 3/days week for 6 weeks
- Mondays and Thursdays will be during resource, 1:50-3:15, Saturdays 9:00-11:00. If your child must take the bus, she can still participate until the bell. If she cannot make Saturdays, she can still participate during the week.
- Cost: \$20 payable to "TCAPS"
- Permission Slip required (staff has extra forms)

### **Format:**

- Monday/Thursday: Skills and Drills with some scrimmaging
- Saturdays: Teams will be formed and each team will play three games. It will be an instructional league format with an offensive and defensive concept reinforced during the game. Parents are always welcome to help or just watch.

**Purpose:** The purpose of intramurals is first and foremost to encourage youth to be physically fit and enjoy exercise, leading to a lifelong love of activity. It is also to teach the fundamentals of the game so that all the girls can enjoy the game of basketball. For those who will choose to pursue an athletic high school career, the intramural program will reinforce concepts and skills to prepare them for the competitive world of Class A athletics. Lastly, the intramural program will teach sportsmanship, hopefully preparing our students to be not only fierce competitors but respectful fans and participants in the years ahead.
